UNIVERSITÄT TRIER

Trier University conducts socially relevant research and teaching at the forefront of contemporary developments, with a strong focus on digitalisation, interdisciplinarity and diversity. At the heart of its activities lies the individual and their relationship with society, law, business and the environment. With more than 10,000 students and around 2,000 members of staff, Trier University is one of the largest employers in the European border region surrounding Trier. Short distances across a green campus, a vibrant academic community and an open and supportive working culture provide numerous opportunities to make a meaningful impact.
