In Production: Your article accepted in Journal of Test

Dear Author,

Article ID: JAAL1234
Article DOI: 10.1002/jaal.1234
Journal: Journal of Test

Congratulations on the acceptance of your article for publication in Journal of Test. Your article has been received and the production process is now underway. We look forward to working with you and publishing your article. Using Wiley Author Services, you can track your article’s progress.

Wiley has an agreement with your institution, UNIVERSITY OF SZEGED, a member of the Electronic Information Service National Programme, which covers the cost of the open access article publication charges (APCs) for affiliated corresponding authors. Choosing the OnlineOpen option won’t incur any additional costs to you, your institution, or funder.

If you have any further questions, please get in touch with your local Open Access contact.

Please click on the link below to login using astest@mailinator.com:

Wiley Author Services
Step 2: Log in to Author Services Dashboard to Review Actions
The author will see two blue buttons on the dashboard and have two required actions:

1) Sign a license
2) Make an OO selection

Clicking either one of these buttons will take them into the following flow.
Step 3: Confirm Affiliations
Confirm/Enter Institutional Affiliation – Ringgold Exact Match

Author is taken to the new Institutional Affiliation(s) Confirmation screen.

If the institution(s) entered into EEO and ingested into AS* have an exact match with Ringgold database, this screen will be shown and an open access icon is displayed, indicating their eligibility.

*or user enters exact match by hand

Click on the video above to watch this step in action.
Confirm/Enter Institutional Affiliation – One Close Match with Ringgold

Confirm/Enter Institutional Affiliation – One Close Match

Author is taken to the new Institutional Affiliation(s) Confirmation screen.

If the institution(s) entered into EEO and ingested into AS doesn’t have an exact match with Ringgold database, but one close match is identified, this screen will apply.
Confirm/Enter Institutional Affiliation – Multiple Close Matches with Ringgold

Author is taken to the new Institutional Affiliation(s) Confirmation screen.

If the institution(s) entered into EEO and ingested into AS doesn't have an exact match with Ringgold database, but multiple close matches are identified, this screen will be shown.
Confirm/Enter Institutional Affiliation – No Institution(s) From EEO

Author is taken to the new Institutional Affiliation(s) Confirmation screen.

If the author has not entered an institution into EEO during article submission, this screen will be shown requesting that the author please add an institutional affiliation for his/her article.
Confirm/Enter Institutional Affiliation – Geo-targeting via IP Range (Country)

Author is taken to the new Institutional Affiliation(s) Confirmation screen.

In certain cases we will also show a geo-targeted message to users with an IP address within one of our eligible countries to encourage them to select a related institution from our list, if applicable.
Confirm/Enter Institutional Affiliation – Verified/Not Verified Entry

If the author types in an affiliation, it will be visually designated as ‘Verified’ (in Ringgold database) or ‘Not Verified’ (not in database).

Click on the video above to watch this step in action.

Wiley Open Access | November 2019
If the author confirms a Not Verified institution, an additional screen will ask the author to select from a list of institutions with Wiley Open Access Accounts filtered by country.

Click on the video above to watch this step in action.
Confirm/Enter Institutional Affiliation – Multiple Wiley Open Access Account Affiliations

If the author enters affiliations with multiple institutions and more than one of the institutions has a Wiley Open Access Account, an additional screen will be presented asking the author to select which institution is most appropriate to cover the open access fees.

Click on the video above to watch this step in action.

*New Feature*
Confirm/Enter Institutional Affiliation – Multiple Wiley Open Access Account Affiliations (continued)

Once the author selects one of the institutions, all future screens show the eligibility notification for the institution that was selected.
If an author tries to remove or change an affiliation that is already Verified and eligible to publish OA at no cost, a popup lets them know they could lose that eligibility if they edit or delete it.

Click on the video above to watch this step in action.
Step 4: Enter Funder Information
Licensing Signing – Funders

Author is presented with reported Funders (if provided at submission), and is given an additional option to add/edit any new/existing Funder(s).
Step 5: OnlineOpen Selection Defaulted Yes Option
‘Yes’ is Pre-Selected for Author

Author is presented with ‘OnlineOpen – Open Access Option’ pre-selected to “Yes, I would like to make my article OnlineOpen” by default.
Author Changes Selection From Default ‘Yes’ to ‘No’

Author is presented with ‘OnlineOpen – Open Access Option’ pre-selected to “Yes, I would like to make my article OnlineOpen” by default and actively changes selection to “No, I don't want to make my article OnlineOpen.”

Author is then presented with a warning message.

Once author clicks “Confirm”, author's opt-out/active selection of ‘No’ will be recorded for reporting and the author will continue on to sign the appropriate CTA license.
Step 6: Copyright Ownership Selection
License Signing – Copyright Ownership

Author is presented with License Signing options: Copyright Ownership selection, Creative Commons licensing selection, etc.
License Signing – Copyright Ownership Choices

Copyright Ownership

Author is presented with the following choices when selecting ownership type.

If other signatures are required, some ownership types will require the corresponding author to download a PDF license, sign offline (collect all relevant signatures), and then upload the completed PDF back to Wiley Author Services Dashboard.
Step 7: Creative Commons License Selection
License Signing – License Agreement Selection

License Agreement

If OnlineOpen is selected, the author is asked to select a Creative Commons license dependent on funding source(s) reported and journal license permissions*.

A short description of each Creative Commons license type is made available per license type to aid authors when deciding which license to sign.

* Some journals will only allow a Creative Commons Attribution License (CC-BY) if mandated by a funding source.
Step 8: Sign License
License Signing – Option to Sign or Save for Later

Once author completes all License Signing sections, author is presented with confirmation icons.

Author has the option to click “SAVE FOR LATER” or “SAVE & SIGN” to proceed.
License Signing – CC-BY License

Review License Agreement

Author is presented with electronic copy of the Creative Commons license agreement selected and asked to review. If author agrees with all items within agreement presented, author must:

- confirm by ticking box (“I agree to the OPEN ACCESS AGREEMENT...
- type full name (electronic signature)
- Click “SIGN” button to complete licensing signing process.

Please read the agreement below. To sign the form, check the box indicating you have read and agree to the terms in the agreement, and type your electronic signature.

Click “Sign” to send your signed form to the Journal Production Editor and proceed to the next step.
