

How to use interlibrary loan

Last update: May 2024

What is *Interlibrary Loan* all about?

Interlibrary Loan (ILL) enables you to order items that are not directly available at Trier University Library.

Conversely, no title that is held by this library is eligible für *ILL*, even if all copies are checked out.

Students will be charged 1.50 € per order, payable at any TUKAN machine on campus, two of which are located in the central library building and in reading room B, respectively. Holders of guest cards are likewise entitled to partake in *ILL* services while being charged 3.00 € per order.

You can order books to borrow and individual articles for retention.

All you have to do is place an *ILL* order. You will receive an email as soon as you can pick up what you have ordered.

You can find the information page for online *ILL* on the library's homepage (<https://www.uni-trier.de/bibliothek>) in the upper column „Suchen & Finden“ click on letter „D“ and select „Dokumentenlieferdienst“ (document delivery services).

Still more information is to be found in the brochure „Dokumentenlieferung leicht gemacht“, which is currently being updated.

The link to the information page for online *ILL* is to be found on the TRiCAT site as well: click on the library website (<https://www.uni-trier.de/bibliothek>) □ TRiCAT □ choose “Interlibrary Loan”.
