Course Information

Most courses are given in German. Courses taught in English are marked accordingly.

Last update: July 2013 (The information in this document are preliminary and might be subject to change! Tutorials in particular might be added.)

How to find a course

We offer **lectures** (2 hours weekly) on several topics. Depending on the lecture, you can receive between 4-5 ECTS, if you pass an oral exam. Most lectures are combined with a **tutorial**.

Seminars (*Bachelor*) (2 hours weekly) are classes for beginners, e.g. for students in their first or second year. In order to obtain a grade it is usually necessary to give a presentation and to write an essay.

The seminars and the lectures are integrated in so called **Basic Modules**. Therefore, we suggest the **participation in the whole module**, for which you will gain 10 ECTS. If you are studying in Trier for just one semester it will be hardly possible to take part in the whole module though. (You will need the time of the whole academic year.)

All courses are listed with the following information:

- Course type
- Course number (will be added as soon as they are published)
- Title of the course
- Lecturer
- Time/date and place (room numbers will be added soon)
- ECTS
