Course Information

Most courses are given in German. Courses taught in English are **marked accordingly**.

Last update: 1 March 2021. The information in this document is preliminary and might be subject to change!

How to find a course

First and foremost, we offer an **ERASMUS Module** each semester which encompasses the most crucial issues on the Political System of the FRG during the winter semester and puts a focus on European and International Politics during the summer semester.

Lectures (2 hours weekly) are offered on several topics. You can receive 5 ECTS if you pass an oral or written exam. Some lectures are combined with a **tutorial**.

Seminars in **Basic Modules** (2 hours weekly) are classes for beginners, e.g. for students in their first or second year. In order to obtain a grade it is usually necessary to give a presentation and to write a seminar paper. You can receive 5 ECTS for a Seminar in a Basic Module.

In **Seminars** of **Advanced Modules** or **Master Courses** (4 hours weekly), you can receive 10 ECTS. Usually it is necessary to give a presentation and to write a seminar paper or pass an oral exam.

IMPORTANT: Attendance in seminars is compulsory. You will only be allowed to the testing procedure if you did not miss the class more than two or three times.

All courses are listed with the following information:

- Course type
- Title of the course
- Lecturer
- Time/date
- ECTS

Special testing conditions

Under consultation with the respective lecturer and dependent on the individual language level, it is possible to write seminar papers in English or take oral exams instead of written exams. Those special conditions must be agreed on with the lecturer and your ERASMUS-tutor.

Digital/on-site

The course offer in **summer semester 2021** will be modified: All courses will be offered online only. Digital courses are taught with Zoom. Zoom is a software for video conferences. The University has a license for this software. Thus, it is free to use for you as a student.
