

Structured Invest S.A. is a Fund Management Company and an authorized Alternative Investment Fund Manager. As a wholly owned company of **UniCredit Group**, Structured Invest S.A offers new possibilities of innovative and structured investment fund solutions.

To strengthen our young and innovative team in Luxembourg, we are looking as early as possible for a

Risk Management Intern (m/w/d)

In this position you can expect to support in the following areas:

- daily reporting
- validation of valuation prices and risk figures (e.g. value-at-risk)
- checking the valuation of OTC derivatives and other financial instruments
- checking daily Net Asset Values of various funds
- market conformity checks
- generation of risk reportings
- implementation of new processes and projects

your profile:

- student of economics and/or mathematics
- Flexibility, ability to work in a team and high resilience
- Fluent in English
- good IT skills, especially MS Office products
- VBA skills and German language would be an advantage

For a period of at least three months we offer you a versatile internship in the innovative and dynamic environment of a Luxembourg Fund Management Company/Alternative Investment Fund Manager. We offer a fair pay and a good working atmosphere.

If you are interested in the role offered, please send your application including a detailed CV to

Structured Invest S.A.
8-10, rue Jean Monnet
