

EY is a global professional services organization providing advisory, assurance, tax and transaction services. We are committed to doing our part in building a better working world for our people, our clients and our communities. And we are united by our shared values and a dedication to delivering exceptional client service.

EY Advisory operates as the most globally integrated firm across all our geographical areas. Through our industry-focused approach and worldwide reach, we help clients manage risk, improve performance and sustain the results. Our Financial Services Advisory Department focuses on wealth & asset management, banking and capital markets, insurance and private equity to provide Advisory services in the areas of Performance Improvement, Risk and IT to Financial Services organizations in Luxembourg and in the EMEIA region.

In order to support the growth of our Financial Services Advisory Department, we are currently looking to recruit:
