## Electronic Exam Review

**Elements of Statistics: Electronic Exam 9<sup>th</sup> March 2022**

A review of all electronic examinations of the winter semester 2021 has been scheduled for

**Friday, 13<sup>th</sup> May 2022**

### **Please observe the following details:**

The review will be performed electronically! Individual time slots will be communicated after registration period. Unfortunately, due to the expected number of registrations, we will not be able to consider any personal preferences for time slots!

**An obliging registration for the review is mandatory. Please send a registration mail to our Secretary's office ([statistik@uni-trier.de](mailto:statistik@uni-trier.de)), indicating your name, first name, matriculation number, university mail address and name of exam.**

**Registration period ends on 24<sup>th</sup> April at noon.** Due to organisational reasons, we cannot accept any participants after this deadline!

Furthermore, you will not get access to your electronic exam if you are not registered, as your accounts will not be activated!

**IMPORTANT: you need your personal password which you used for the electronic exam in August in order to be able to review your exam**

**(as we told you on the examination day).** For privacy reasons you had to change the original password indicated on the sheet „Erklärung zur E-Klausur“.

The review of your exam allows you to look into your results concerning achieved points and evaluation. You are NOT allowed to write down or take photos of the content!

During the review, we will not answer to questions concerning content and evaluation of the individual exams.

### **Corona Guidelines:**

- **3G-rules** apply for your participation in the exam review! This means that **vaccinated, recovered** or **tested** persons have access only. Those students who are not vaccinated or recovered must present a PoC **antigen test (valid for 24 hours) or else a PCR test (valid for 48 hours). Self-tests made at home will not be accepted!**
- Inside all buildings and rooms a **facial mask is mandatory** (a surgical mask or a mask according to KN95/N95 or FFP 2 standard).
- Refer to the university homepage for further information:
