## ECTS Information

- The ECTS points per course are based on the credit points (LP) as well as the number of semester hours per week (SWS).
- Almost all lectures in FB IV have 5 ECTS, the modules 10 ECTS.
- Usually, the modules consist of two to three courses.
- Courses can possibly (not always!) also be heard and examined individually; then they are usually worth 5 ECTS. **This needs to be arranged with the lecturer.**
- **In case of doubt: Please ask!** – First Ms. Jacobs, [erasmus-fb4@uni-trier.de](mailto:erasmus-fb4@uni-trier.de). If she cannot help, she can redirect you to the person who can!

## Exams

- **Exams can be written either ...**
  - (1) regularly after the end of the lectures (usually within the first three lecture-free weeks) **OR**
  - (2) early Erasmus exams may be offered (usually within the last two weeks of lectures in the semester).
- **IMPORTANT:** Whether Erasmus students have to write the regular exam or get an early exam is decided by each professor himself/herself! **Inform yourself in time!**
- In the case of early Erasmus examinations, the form is determined by the professor (written, oral).
- Registration for exams not via PORTA, but via the secretary's office of the chair. **Observe deadlines!**
