

We are one of the most successful Swiss asset managers in the European insurance sector. We provide asset management services in Switzerland, France, Germany, Luxembourg, and the UK. As part of these services, we manage insurance assets for the Swiss Life Group as well as the assets of third-party clients.

Swiss Life Asset Managers Luxembourg holds a dual license as a UCITS Management Company and AIFM and is supervised by the Commission de Surveillance du Secteur Financier («CSSF»). As such, Swiss Life Asset Managers Luxembourg manages UCITS as well as AIF pursuing Real Estate, Infrastructure and Senior Secured Loan strategies of corporate and contractual form.

At Swiss Life you will contribute your talent and expertise in a motivated and flexible work environment. You will take on a high degree of responsibility and master demanding challenges independently, with room to manoeuvre and in cooperation with professional teams. Flexible working models will enable you to reconcile your professional and personal goals.

SLAM Lux is a local center of competence for fund setup and management in which our five persons team is embedded. We are actively involved in the set-up and lifetime of investment funds and take care regulatory approval process as well as marketing notifications across various jurisdictions. Further, we provide legal advice and support to such funds/management entity on any and all legal, contractual and regulatory queries they may have. We work closely with other legal departments within SLAM Group on on-going legal and regulatory projects.

Legal Intern (m/w/d), 50-100% Kirchberg, Luxembourg

Your Area of Responsibility:

To support our daily business, we created the Internship position. We offer you the opportunity to gain professional experience during your studies and mandatory internship and have insights into legal and regulatory tasks of a pan-European Asset Manager. Your responsibilities will be the following:

- Support our legal team with ongoing legal and regulatory projects both local as well as Group level
- Support as regards setting-up, lifetime and marketing notifications of investment funds
- Assist team members in dealing with day to day business queries on various contractual, legal, and regulatory queries
- Be part of the implementation of new regulatory developments, in particular, sustainable Finance initiatives
- Be part of the implementation of automation and standardization projects within the department

Your Profile:

- Ongoing studies in Law
- Requirement to complete a mandatory internship in order to obtain degree
- Interest in asset management industry
- First working experiences in a related field are an advantage
- Knowledge of the regulatory and legal environment of Luxembourg are an advantage
- Proficient in MS Office (Word, Power Point, and Excel) and MS Teams
- Fluent in English

Swiss Life Asset Managers has got a passion to unlock potential. You will take on responsibility from the outset and, with considerable room to manoeuvre, have the opportunity to grow continuously with each new challenge. You will also be able at any time to improve and expand your personal and professional skills. We foster active exchange among employees to promote diversity within teams.

Interested? We are looking forward to receiving your application. Please also indicate your earliest possible starting date and your salary expectation when entering your application via our online application form.
