

Our strong customer base is the driving force for further growth. We invest a lot in digital technologies, and put long-term success over short-term success. Our social mission is fulfilled with a high level of commitment and integrity. A career full of development opportunities awaits you and the opportunity to help shape the future of our customers.

Internship Product Management

in Luxembourg, 3 - 6 months, start date is the 1st or the 15th of every month

About DWS

DWS Group (DWS) is one of the world's leading investment organisations, with over EUR 745 billion in assets under management. Our diverse expertise in Active, Passive and Alternatives asset management – as well as our deep environmental, social and governance focus – complement each other when creating targeted solutions for our clients. DWS wants to innovate and shape the future of investing: with approximately 3,600 employees in offices all over the world, we are local while being one global team.

Responsibilities

Work on the various aspects of product-related events such as launches, liquidations, mergers etc. It includes:

- reviewing and commenting fund documentation, service providers' contractual documentation and investor communication to enable product launch/change;
- answering queries on products from internal and external stakeholders (Financial Regulator, internal departments, complaints);
- reviewing the financial report and documents related to the audit;
- preparing various reportings for SICAV and Management Boards;
- supporting our department in the day-to-day business and collaborating with other divisions

Requirements

- Student in the field of legal or economics;
- Very good organisation skills and ability to handle multiple tasks and deadlines;
- Ability to work independently as well as to work in a team;
- Excellent communication skills;
- Very good English language skills, German is an advantage;
- Good MS-Office skills
