

Junior Data Analyst

Wunderman Thompson SA is an international e-commerce consulting company focused on marketing a diverse range of products in various sectors on Amazon. Wunderman Thompson is based in Luxembourg and has an international atmosphere, with a dynamic, young and multicultural team. The company is part of WPP's wholly-owned global digital agency, **Wunderman Thompson Commerce**.

As a Junior Data Analyst, you will help to develop tools / apps / microservices to automate and optimize business flows of our e-commerce analytics suite (catalog management, content optimization, dynamic pricing, inventory forecasting, data reporting & business intelligence, campaign management, ...). Furthermore, you will support our consultants in the conceptual management of their consulting projects. Your tasks include analyzing the market environment, create data-driven analyses and support the development of solutions for our customers.

Where:

- Luxembourg
- For 2021, based on the actual situation, you will be able to work 1-2 days per week in office, rest can be remote. This might change in 2022.

Requirements:

- You are a student or recent graduate (engineering or IT school/university) wishing to work in the world e-commerce
- You have good written and spoken English skills
- You are very familiar with Excel, PowerPoint and Google Docs - including their automations
- You have experience with external APIs and/or web scraping
- You have experience in programming languages, ideally in python
- You do not wait for solutions to your problems, you create them!
- You are enthusiastic about consulting and data topics
- You have a good understanding of data structures and ideally working experience with SQL
- Ideally you have prior experience with visualization / business intelligence tools (Microsoft Power Bi, Google Data Studio, Tableau, ...)

Nice to Have:

- German and/or French is considered a plus
- Prior experience in digital campaign management (Amazon, Google, Facebook, DSPs, ...)
- Frontend Knowledge (HTML / CSS + JS / React)

Wunderman Thompson SA offers you a 6-month traineeship with possibility of going permanent.

Interested candidates may send CVs to lux_humanresources@wundermancommerce.com

At Wunderman Thompson, a WPP company, we are committed to actively building a diverse, equitable and inclusive workplace where everyone feels welcomed, valued and heard, and is treated with dignity and respect. As leaders and creative partners across industries, it is our responsibility to cultivate an environment reflective of our greatest asset; our people. We believe that this commitment inspires growth and delivers equitable outcomes for everyone as well as the clients and communities we serve.
