

We are looking for  
**Student Assistant (m/f)**  
**for our Content Departments (Japan)**

to start as soon as possible.

Statista.com unites professional IT experts, industry-savvy researchers, and renowned analysts. Together, we operate one of the world's leading statistics portal. Using our innovative and intuitive research tool, we supply our international customers from economic, educational, and media backgrounds with current and relevant quantitative data. Be a part of this multiple award-winning company and contribute to its success story.

#### **Your tasks**

- Assisting our editors in expanding statistical content about Japan.
- Processing data using our content management system.
- Updating and editing existing statistical content and writing-related editorial texts.

#### **Your profile**

- Enrolled as a full-time student (mandatory).
- Possibility of working remotely.
- Interested in finding a job with 10 to 20 hours per week.
- Exceptional written and spoken English.
- Good reading comprehension in Japanese.
- Ability to describe complicated data in a concise and understandable manner.
- Structured, organized, and independent working style with attention to quality and accuracy.

#### **Our offer**

You will be working with our editorial team with the availability of working from home, assisting in expanding our English language internet portal. We offer flexible working hours with an attractive remuneration.

We are looking forward to your application via e-mail.
