Enhancing lives

International Trainee Program 2021

Are you ready to become one of our future leaders?

Are you doing things differently?

- Is pushing boundaries part of your DNA?
- Do you seek to understand and support the major developments that shape society?
- You want to create innovations that deliver sustainable future?
- You are driven by a desire to start your career and grow in a family owned company?

Join our 17th International REHAU Trainee Program!

About the program:

- 12 trainees from all over the world
- 18 month program
- 3 assignments of 6 month (at least one abroad)
- 4 training weeks
- Cross-divisional projects
- Coaching, mentoring and top management contacts
- And a lot of fun and amazing experience!

Your profile:

- Graduate in Economics, Technical or IT studies
- Open mindset / performance culture
- Fluent in English
- International experience (at least 4 months) / international mobility
- Relevant internships (at least 6 months in a manufacturing international company)

Apply now for our 17th International REHAU Trainee Program and start in November 2021.
